GENE VANCE

Director of Intercollegiate
Athletics

Dear Fellow "I" Men :

This "I" MEN'S DIRECTORY is something that you will find invaluable at home and in your travels. I make it a practice to carry it at all times.

It serves as a reminder of the unity we once shared in our collegiate days and also gives us the opportunity to share those memories in person, by telephone or by the written word.

The Athletic Association is proud to help with its publication.

GENE VANCE

Director of Intercollegiate Athletics

T. DWIGHT
EDDLEMAN
Executive Secretary
"I" Men's Association

Fellow "I" Men :

It is a privilege and an honor to be working with and for you toward strengthening our Association and supporting our University and our athletic programs.

The dues paying membership roll has increased from less than five hundred to over twelve hundred. Continued growth will provide for an active organization and accomplish our goal of supporting the Grants-In-Aid program, assist in recruiting and make significant contribution to our Alma Mater.

I am looking forward to talking to each of you and want you to contact me if I can be of help to you. Consider my office yours when you are on the campus.
